In the originally published article, there was an error in the Resource details.

3 Resource details

In this study, a hiPSC line was established from PBMCs of a 14- year-old girl with severe early onset obesity with a heterozygous missense variant in exon 4 of the *ARNT2* (NM_014862.4; c.388C>T) gene.

The correct text should be:

In this study, a hiPSC line was established from PBMCs of a 14- year-old girl with severe early onset obesity with a heterozygous missense variant in exon 4 of the *ARNT2* (NM_014862.4; **c.388C>G**) gene.
