In the published article, there was an error in affiliation [1]. Instead of "[Unit of Research Methodology and Data Sciences for Population Health, "Salus in Apulia Study" National Institute of Gastroenterology "S. de Bellis" Research Hospital, Bari, Italy]", it should be "[National Institute of Gastroenterology - IRCCS "Saverio de Bellis", Castellana Grotte, Italy]".

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
