

Correction to: All Infants Are at Risk of Developing Medically Attended Respiratory Syncytial Virus Lower Respiratory Tract Infection and Deserve Protection

In the original publication of this article, [Hodges EN, White M, Nelson CB. All Infants Are at Risk of Developing Medically Attended Respiratory Syncytial Virus Lower Respiratory Tract Infection and Deserve Protection. *Journal of Infectious Diseases*, Volume 226 Supplement_2, August 15 2022, Pages S148-S153.

<https://doi.org/10.1093/infdis/jiac244>] a decimal point was missing from a statement in the Modeling section on page S150: “estimated cost of \$124 billion annually.” should be “estimated cost of \$1.24 billion annually.” This has been corrected in the version currently available online, and the publisher regrets the error.
