## Author Correction: Biogeographic implication of temperature-induced plant cell wall lignification

Alan Crivellaro , Alma Piermattei , Jiri Dolezal , Paul Dupree  & Ulf Büntgen 

Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-022-03732-y>, published online 29 July 2022.

In the original version of the Article, the second paragraph of the Methods incorrectly stated, “Bioclimatic attributes and elevation data were downloaded from the WorldClim Global Climate Data<sup>53</sup> at 2.5 degrees resolution.”

The text should read, “Bioclimatic attributes and elevation data were downloaded from the WorldClim Global Climate Data<sup>53</sup> at 2.5 minutes resolution.”

The error has been corrected in both the PDF and HTML versions of the Article.
