

## Circ\_0005576 Promotes Malignant Progression Through miR-874/CDK8 Axis in Colorectal Cancer [Retraction]

Yu C, Li S, Hu X. *Onco Targets Ther.* 2020;13:7793–7805.

At the authors request, the Editor and Publisher of *OncoTargets and Therapy* are retracting the published article. The authors have informed the journal that they are unable to verify the reported findings and cannot provide the original data for their study. To maintain the integrity of the scholarly record the authors requested to retract the article and the Editor agreed with this decision. The authors apologise to the journal's readers for any inconvenience.

We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines.

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.

### Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
