The original version of this Article incorrectly listed Prof. Oleg Gusev as being affiliated with “Endocrinology Research Center, Moscow, Russia” and “Center for Integrative Medical Sciences, RIKEN, Yokohama City, Kanagawa, Japan”. The aforementioned affiliations have now been removed and the following was added for Prof. Oleg Gusev “Regulatory Genomics Research Center, Institute of Fundamental Medicine and Biology, Kazan Federal University, Kazan, Russia”. In addition, information was missing from the Funding section and has now been added to the acknowledgements section which reads “OG and RD were supported by Ministry of Science and Higher Education of the Russian Federation grant 075-15-2021-1344 and Japan Society for the Promotion of Science (JSPS) KAKENHI JP23H02226.”.

These errors have been corrected in both the PDF and HTML versions of the Article.
