Author manuscript

Endocr Pathol. Author manuscript; available in PMC 2023 June 27.

Published in final edited form as:

Endocr Pathol. 2022 December ; 33(4): 436. doi:10.1007/s12022-022-09740-2.

Kinase Fusion–Related Thyroid Carcinomas: Towards Predictive Models for Advanced Actionable Diagnostics

Ying–Hsia Chu¹, Peter M. Sadow²

¹Department of Pathology, Chang Gung Memorial Hospital and Chang Gung University, Taoyuan, Taiwan

²Departments of Pathology, Pathology Service, Massachusetts General Hospital, Harvard Medical School, WRN 219, 55 Fruit Street, Boston, MA 02114, USA

Table 4 in the original publication was omitted during the process. There are also two additional references that must also be inserted, an incorrect reference citation in the last line of “ALK Inhibitors” section, and reference 85 must be removed. The original article has been corrected.
