At the request of the Executive Editor, the following article has been retracted.

Ding H, Wen W, Ding Q, Zhao X. Diagnostic Valuation of Serum miR-184 and miR-191 in Patients With Non-Small-Cell Lung Cancer. *Cancer Control*. October 2020. doi:[10.1177/1073274820964783](https://doi.org/10.1177/1073274820964783)

An investigation has revealed the potential involvement of a third-party in the preparation of this article. The authors explained they used a translation service and requested the withdrawal of this article.

As the journal is unable to confirm the authors wrote this article and performed the research, which brings into question the integrity of the research, the Executive Editor retracts this article.

All the authors agree to retract the article.
