This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/policies/article-withdrawal>).

This article has been retracted at the request of the Editor-in-Chief.

Concerns were raised about the similarities between features within panels from **Fig. 4a–c, 5a,b, 6b,d, 11a,c and 12a**, as well as between sections of panels from **Figures 8a, 9c and 9b and 10b**. The journal requested the authors to provide an explanation regarding these similarities. The authors did not provide a satisfactory explanation in response to these concerns. The Editor-in-Chief assessed this case and decided to retract the article.
