Author Correction: Long COVID prevalence and impact on quality of life 2 years after acute COVID-19

Yoonjung Kim , Sohyun Bae , Hyun-Ha Chang  & Shin-Woo Kim Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-023-36995-4>, published online 11 July 2023

The original version of this article contained an error in the Abstract, where

"There has been an increasing interest in the long-term impact of long COVID. However, only a few studies have investigated the clinical manifestations of long COVID after 24 months of acute infection."

now reads:

"There has been an increasing interest in the long-term impact of long COVID. However, only a few studies have investigated the clinical manifestations of long COVID 24 months after acute COVID infection."

The original article has been corrected.
