Co-author Noemi Tirado’s affiliation was incorrectly listed as “Instituto de Genética, Facultad de Medicina, Universidad Mayor de San Andrés, Louisiana Paz, Bolivia.” The correct affiliation is “Instituto de Genética, Facultad de Medicina, Universidad Mayor de San Andrés, La Paz, Bolivia.”

In addition, in Table 2, the “Population and sample size” column for row “55. Barrón Cuenca et al.⁸²” under “Studies in adults” incorrectly stated “927 men and women (17–70 years of age) from three agricultural communities” and should instead read “297 men and women (17–70 years of age) from three agricultural communities.”
