Correction to: Neural responses underlying extraordinary altruists' generosity for socially distant others

This is a correction to: Shawn A Rhoads, Katherine O'Connell, Kathryn Berluti, Montana L Ploe, Hannah S Elizabeth, Paige Amormino, Joanna L Li, Mary Ann Dutton, Ashley Skye VanMeter, Abigail A Marsh, Neural responses underlying extraordinary altruists' generosity for socially distant others, *PNAS Nexus*, Volume 2, Issue 7, July 2023, pgad199, <https://doi.org/10.1093/pnasnexus/pgad199>

In the originally published version of this manuscript, an incorrect value was given in the caption to Figure 1 and elsewhere in the text. "\$185" in the Figure 1 caption and on page 10 under the "Social discounting paradigm" section should read "\$165".

This error has been corrected online.
