The original version of this Article contained an error in Fig. 5 and Supplementary Fig. 23. In the original version of Fig. 5f, the plot representing Muc5ac was given as a duplicate of that representing Gkn2. Additionally, the statement "the control data are also presented in Fig. 4b" was omitted in the legend of Fig. 5f. In the original version of Supplementary Figure 23g, an incorrect micrograph for control stained with SOX9 and DAPI was placed. This has been corrected in both the PDF and HTML versions of the Article.
