REASON FOR WITHDRAWAL FROM PUBLICATION

The original author team were unavailable to complete the update. At September 2013, a new author team is preparing a new protocol for publication in early 2014, with the revised title 'Hydromorphone for cancer pain'.

The editorial group responsible for this previously published document have withdrawn it from publication.

WHAT'S NEW

Date	Event	Description
25 October 2013	Amended	This review has now been withdrawn following the new protocol in preparation. See Published notes.

HISTORY

Protocol first published: Issue 1, 2002

Review first published: Issue 1, 2002

Date	Event	Description
16 September 2013	Amended	This review is being updated following a new protocol in preparation and will be withdrawn when the new review is published. See Published notes.
1 September 2008	Amended	Converted to new review format.
16 August 2007	New search has been performed	This update identified five new trials (Chang 2006; Grosset 2005; Kopp 2000; Lehmann 2001; Wolanskyj 2000), which brings the total of included studies up to 48. The new trials located in this
