Corrigendum

Corrigendum to “Association of state-level factors with rate of firearm-related deaths” [Surg. Open Sci. vol. 14 (2023) 114–119]

Emily A. Grimsley^{*}, Meagan D. Read, Michelle Y. McGee, Johnathan V. Torikashvili, Noah T. Richmond, Haroon M. Janjua, Paul C. Kuo

Department of Surgery, University of South Florida Morsani College of Medicine, Tampa, FL, United States of America

The authors regret that an error is present in the study highlights section. The fourth bullet point reads, “State urbanization and partisan lean are associated with firearm *homicide* rate.” When it should read,

“State urbanization and partisan lean are associated with firearm *suicide* rate.”

The authors would like to apologise for any inconvenience caused.
