

Correction: *Transition to riloncept monotherapy from oral therapies in patients with recurrent pericarditis*

Brucato A, Wheeler A, Luis SA, et al. Transition to riloncept monotherapy from oral therapies in patients with recurrent pericarditis. *Heart* 2023; **109**: 297-304.

This article has been corrected since it was first published. A sentence in the Results section incorrectly stated “patients receiving colchicine and **glucocorticoids** at baseline demonstrated comparable transition to riloncept monotherapy”. This has now been corrected to “patients receiving colchicine and **NSAIDs** at baseline demonstrated comparable transition to riloncept monotherapy”.
