Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-023-45034-1>, published online 17 October 2023

The original version of this Article contained an error in the Materials and methods section, under the subheading 'Study population and data collection'.

“The study protocol was reviewed and approved by the institutional review board of National Cheng Kung University Hospital (Registry number: A-ER-107-291), and the requirement for informed consent was waived because of the retrospective nature of the study.”

now reads:

“The study protocol was reviewed and approved by the institutional review board of National Cheng Kung University Hospital (Registry numbers: A-ER-107-291, A-ER-111-093), and the requirement for informed consent was waived because of the retrospective nature of the study.”

The original Article has been corrected.
