2021 AAHA/AAFP Feline Life Stage Guidelines

Quimby J, Gowland S, Carney HC, DePorter T, Plummer P and Westropp J
J Feline Med Surg 2021; 23: 211–233. DOI: 10.1177/1098612X21993657

Readers should note that the version of the article that appeared in print in the March 2021 issue and online until June 2021 has been amended. The version now appearing online (in PDF and full text format) is the correct one. For information, the following amendment has been made to the original published version.

The Funding statement, which appears on page 229 of the article, now reads as follows: ‘Boehringer Ingelheim Animal Health USA Inc., CareCredit, Dechra Veterinary Products, Hill’s Pet Nutrition, Inc., IDEXX Laboratories, Inc., Merck Animal Health, and Zoetis Petcare supported the development of the 2021 AAHA/AAFP Feline Life Stage Guidelines and resources through an educational grant to AAHA.’
