Normal and pathogenic variation of RFC1 repeat expansions: implications for clinical diagnosis. *Brain*. 2023;146:5060–5069. <https://doi.org/10.1093/brain/awad240>

In the original article, the affiliations for the author Valentina Pirota incorrectly included the Institute of Molecular Genetics IGM-CNR 'Luigi Luca Cavalli-Sforza', Pavia 27100, Italy.

This has been corrected and the affiliations updated.
