REASON FOR WITHDRAWAL FROM PUBLICATION

The 'Lateral tilt for caesarean section' review was withdrawn from *The Cochrane Library* 2006, Issue 3, because the review team were unable to update it. This topic is included in a new review, 'Maternal position during caesarean section for preventing maternal and neonatal complications' published in *The Cochrane Library* 2010, Issue 6.

The editorial group responsible for this previously published document have withdrawn it from publication.
