

Correction to: International Survey Reveals Opportunities to Improve Tuberculous Meningitis Management and the Need for Standardized Guidelines

In the originally published version of this article [Tucker EW, Marais S, Seddon JA et al. International Survey Reveals Opportunities to Improve Tuberculous Meningitis Management and the Need for Standardized Guidelines. Open Forum Infectious Diseases, Volume 7 Issue 11, November 2020,

ofaa445, <https://doi.org/10.1093/ofid/ofaa445>] there were five missing asterisk notators in cells of Table 2 which have been added. The Yes percentage data for Osmotics in Table 2 has also been updated from 16/27 (59.3) to 17/17 (100.0). The conclusions of the article are not affected by these changes.
