

Correction

Cai Q, Shi P, Yuan Y et al. Inflammation-Associated Senescence Promotes *Helicobacter pylori*-Induced Atrophic Gastritis. Cellular and molecular gastroenterology and hepatology 2021; 11: 857-880.

In the above article, there were two duplicated pictures in Figure 4G. The picture in Figure 4G-BrdU-*H.pylori*-#1 was right, while the picture in Figure 4G-BrdU-PBS-#2 was posted in error. The DNA gel picture in figure 9I-RE2 was also misused. Although the representative images were misused, the abstract, results and text remain accurate as written. The corrected figures are shown below.

Figure 4G right panel: original

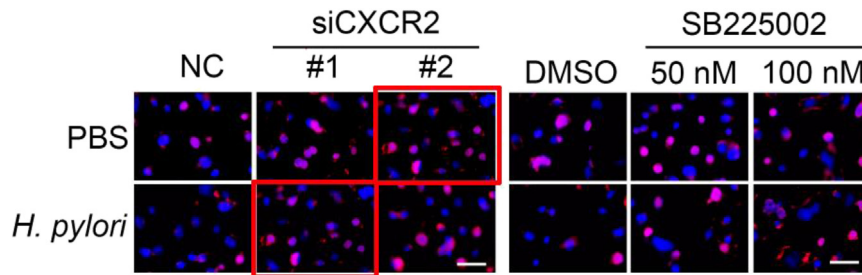

Figure 4G right panel: after correction

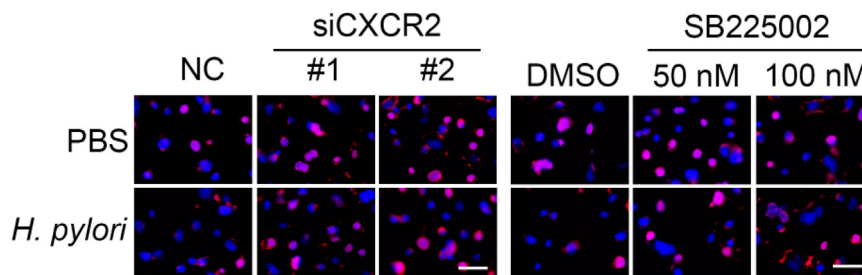

Figure 9I right panel: original
