The above article, published online on November 27, 2019, in Wiley Online Library (wileyonlinelibrary.com), has been retracted by agreement between the Editor-in-Chief Miguel A. De la Rosa, FEBS Press, and John Wiley and Sons Ltd. The retraction has been agreed following an investigation into concerns raised by a third party, which revealed inappropriate image duplications between this article and a previously published article [1]. Thus, the editors consider the conclusions of this manuscript substantially compromised.
