## Correction to: *Maternal and Child Health Journal* <https://doi.org/10.1007/s10995-023-03670-z>

The original version of this article unfortunately contained a typo in article title.

In title, the word “Medical” should be “Medicaid”.

The correct title is: Prenatal Substance Exposure and Neonatal Abstinence Syndrome: State Estimates from the 2016–2020 Transformed Medicaid Statistical Information System.

The original article has been corrected.
