The above article, published online on September 21, 2021 in Wiley Online Library (wileyonlinelibrary.com) has been retracted by agreement between the journal's Editor-in-Chief, Xiaoming Hu, and John Wiley and Sons Ltd.

Following publication, multiple concerns were raised by a third party about the integrity of the clinical trial. An investigation revealed significant issues regarding the reliability of the reported data. As a result, the Editor-in-Chief no longer has confidence in the validity of the results presented in this article.
