The original version of this article unfortunately contained a typo in the text.

In Build a Diverse and Culturally Competent Perinatal Behavioral Health Workforce section, the author's name Yazdi in the sentence “Articles by Reese, Sternberger, Yazdi, and their...” would have been published as Haerizadeh-Yazdi. So, the correct sentence should read as “Articles by Reese, Sternberger, Haerizadeh-Yazdi, and their...”.

In Facilitate Change by Strengthening Systems of Care for Perinatal People with SUD section, the author's name Esernio-Jenssen in the sentence “In their research, Esernio-Jenssen and coauthors find that half...” would have been published as Duka. So, the correct sentence should read as “In their research, Duka and coauthors find that half...”.

The original article has been corrected.
