

CORRIGENDUM

Conditional and inducible transgene expression in mice through the combinatorial use of Cre-mediated recombination and tetracycline induction

Gusztav Belteki, Jody Haigh, Nikolett Kabacs, Katharina Haigh, Karen Sison, Frank Costantini, Jeff Whitsett, Susan E. Quaggin and Andras Nagy

Nucleic Acids Res. (2005) **33**, e51.

The authors would like to apologize for omission of an author's current affiliation. Part of the work for this manuscript was completed at Jody Haigh's present address. The complete correct author and address affiliations are given below.

Gusztav Belteki¹, Jody Haigh^{1,2}, Nikolett Kabacs¹, Katharina Haigh¹, Karen Sison¹, Frank Costantini³, Jeff Whitsett⁴, Susan E. Quaggin^{1,5} and Andras Nagy^{1,6}
