Correction to :
**“A Prioritized Patient-Centered Research Agenda
to Reduce Disparities in Telehealth Uptake:
Results from a National Consensus Conference”**
by Kristin L. Rising et al.
Telemed Report 2023;4(1): 387–395;
doi: 10.1089/tmr.2023.0051

In the 2023 issue of *Telemedicine Reports* (vol. 4, no. 1; 387-395), the article “A Prioritized Patient-Centered Research Agenda to Reduce Disparities in Telehealth Uptake:Results from a National Consensus Conference” by Kristin L. Rising et al. requires correction.

In the original article, the Funding information was listed as:

This review was funded through a Patient-Centered Outcomes Research Institute (PCORI) Eugene Washington PCORI Engagement Award (21350-TJU).

It should have appeared as:

This review was funded through a Patient-Centered Outcomes Research Institute (PCORI) Eugene Washington PCORI Engagement Award (21350-TJU). The content presented in this publication is solely the responsibility of the authors and does not necessarily represent the views of the Patient-Centered Outcomes Research Institute (PCORI), its Board of Governors or Methodology Committee.

The online version has been corrected to reflect this. The authors apologize for this error.
