Erratum to: Cell Mol Life Sci
DOI 10.1007/s00018-013-1338-9

In the published version of the manuscript, there is a typographical error in the “Statistical analysis” paragraph on page 4,

“where

$$M = \beta_0, A = \sqrt{(\beta_1 + \beta_{22})} \text{ and } \varphi = (24/2\pi) \tan^{-1}(\beta_1/\beta_2).”$$

The correct sentence should read as

where

$$M = \beta_0, A = \sqrt{(\beta_1^2 + \beta_2^2)} \text{ and } \varphi = (24/2\pi) \tan^{-1}(\beta_1/\beta_2).$$
