

Erratum

The publisher would like to draw the reader's attention to an error in the following article:

Bhattacharjee RN, Timoshenko AV, Cai J, and Lala PK. Relationship between cyclooxygenase-2 and human epidermal growth factor receptor 2 in vascular endothelial growth factor C up-regulation and lymphangiogenesis in human breast cancer. *Cancer Science* 2010; **101**: 2026–32.

On page 4, from the Clinical subgroup “–” should be “L–” and “+” should be “L+” on Table 2. Table 2 should be read as below.

Table 2. Synopsis of correlations among different clinical subgroups of breast cancer patients

Parameter pair	Clinical subgroup	No. of patients	Spearman correlation	P-value
COX-2 versus HER-2	All cases	47	0.575	<0.001
