KEYWORDS

HCN channels, central nervous system (CNS), retina, localization across species, retinal degeneration

A corrigendum on

Localization of hyperpolarization-activated cyclic nucleotide-gated channels in the vertebrate retinas across species and their physiological roles

by Kim, D., Roh, H., Lee, H.-M., Kim, S. J., and Im, M. (2024). *Front. Neuroanat.* 18:1385932. doi: 10.3389/fnana.2024.1385932

In the published article, there was an error in the affiliation of Hyeonhee Roh. Instead of “Hyeonhee Roh^{1,3,†}”, it should be “Hyeonhee Roh^{3†}”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
