RETRACTION NOTE

Open Access

Retraction Note: The prevalence of electronic cigarettes vaping globally: a systematic review and meta-analysis

Hadi Tehrani[1,2†], Abdolhalim Rajabi[3†], Mousa Ghelichi- Ghojogh[4], Mahbobeh Nejatian[5] and Alireza Jafari[6*]

Retraction Note: Archives of Public Health (2022) 80:240
https://doi.org/10.1186/s13690-022-00998-w

The authors have retracted this article because it incorrectly reports the results of several studies included in their review. This impacts the overall results of their meta-analysis. The authors have been offered the opportunity to re-analyse their findings and to submit an updated version to the journal, which will be subjected to robust peer review.

All authors agree with this retraction.

Published online: 26 July 2024

Publisher's Note

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

[†]Hadi Tehrani and Abdolhalim Rajabi contributed equally as first author.

The online version of the original article can be found at https://doi.org/10.1186/s13690-022-00998-w.
