This article has been retracted at the request of the editor-in-chief.

Concerns regarding potential image duplication and recycling were posted to Pubpeer (<https://pubpeer.com/publications/20F5A56107C05565EBF18B4553B892>). Corresponding author Ming Sun contacted the editorial office with a request to correct Figures 4B, 4D, and 7D. Image analysis performed by the editorial office confirmed findings of image duplication within Figures 4B, 4D, 7D, and S1C. Evidence of image recycling was also found between images in Figures 3F, 4D, 7D, S1C, and S2B of this article and articles in *Cancer Research* (Sun et al., 2016, *Cancer Res.* 76, 6299–6310, <https://doi.org/10.1158/0008-5472.can-16-0356>), *Journal of Cellular and Molecular Medicine* by different authors (Zhu et al., 2017, *J.
