

## Correction

# Correction to: Open-Angle Glaucomatous Optic Neuropathy Is Related to Dips Rather Than Increases in the Mean Arterial Pressure Over 24-H

This is a correction to: Jesus D Melgarejo et al., Open-Angle Glaucomatous Optic Neuropathy Is Related to Dips Rather Than Increases in the Mean Arterial Pressure Over 24-H, *American Journal of Hypertension*, Volume 35, Issue 8, August 2022, Pages 703–714, <https://doi.org/10.1093/ajh/hpac028>.

In the published version of this manuscript, author Jan Van Eijgen's name erroneously appeared as 'Jan V Eijgen'.

These details have been corrected only in this correction notice in order to preserve the published version of record.
