

# Mapping Essential Tremor to a Common Brain Network Using Functional Connectivity Analysis

*Neurology*<sup>®</sup> 2024;102:e208094. doi:10.1212/WNL.0000000000208094

In the Research Article “Mapping Essential Tremor to a Common Brain Network Using Functional Connectivity Analysis” by Younger et al.,<sup>1</sup> the heat bars for Figure 4, panels B and C, should have been labelled as “*p* value”. In addition, the first author’s name should have been listed as “Ellen F.P. Younger” in the byline. The article has been replaced by a corrected version. The original version with the changes highlighted is available from a link in the corrected article. The publisher regrets the errors.
