Following publication of the original article [1], the wrong Supplementary figures appeared in the published article; the Supplementary figure should have appeared as shown below:

Additional file 4, Additional file 5, Additional file 6, and Additional file 7 are swapped. The files should be reorganized and numbered as Supplementary Figure 1, Supplementary Figure 2, Supplementary Figure 3 and Supplementary Figure 4 respectively.

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1186/s40478-024-01808-w>.
