## Correction

### **Correction to: Teaching bioinformatics through the analysis of SARS-CoV-2: project-based training for computer science students**

This is a correction to: Pavlin G Poličar, Martin Špendl, Tomaž Curk, Blaž Zupan, Teaching bioinformatics through the analysis of SARS-CoV-2: project-based training for computer science students, *Bioinformatics*, Volume 40, Issue Supplement\_1, July 2024, Pages i20–i29, <https://doi.org/10.1093/bioinformatics/btae208>

In the originally published version of this manuscript, there was an error in the numbering of the section headings. The Student Evaluation section should be section 4 and the Conclusion should be section 5.

This has been corrected in the article.
