The original version of the Article contained an error in the Competing interests statement.

“The authors declare no competing interests.”

now reads,

“Data collection utilized radar hardware from Xandar Kardian Inc., a company co-founded by Sung Ho Cho who currently serves as a full-time professor at Hanyang University in South Korea. The radar hardware was used exclusively for data collection purposes. This research received no financial support from Xandar Kardian Inc., but it was fully funded by the National Research Foundation (NRF) of South Korea. The other authors declare no conflicts of interest.”

The original Article has been corrected.
