A Retraction of the Original Research article

Potamogeton perfoliatus L. extract attenuates neuroinflammation and neuropathic pain in sciatic nerve chronic constriction injury-induced peripheral neuropathy in rats

by Mahmoud MF, Rezaq S, Alsemeh AE, Abdelfattah MAO, El-Shazly AM, Daoud R, El Raey MA and Sobeh M (2021). *Front. Pharmacol.* 12:799444. doi: [10.3389/fphar.2021.799444](https://doi.org/10.3389/fphar.2021.799444)

The Journal retracts the 20 December 2021 article cited above.

Following publication, concerns were raised regarding the integrity of the images in the published figures 4 and 7. The authors failed to provide a satisfactory explanation during the investigation, which was conducted in accordance with Frontiers' policies. As a result, the data and conclusions of the article have been deemed unreliable and the article has been retracted.

This retraction was approved by the Chief Editors of Frontiers in Pharmacology and the Chief Executive Editor of Frontiers. The authors have agreed to this retraction.
