

RETRACTION

RETRACTION: Effect of platelet-rich plasma combined with negative pressure wound therapy in treating patients with chronic wounds: A meta-analysis

RETRACTION: H. Chen, T.-J. Xu, H. Yu, J.-L. Zhu, Y. Liu, L.-P. Yang, “Effect of platelet-rich plasma combined with negative pressure wound therapy in treating patients with chronic wounds: a meta-analysis,” *International Wound Journal* 21, no. 4 (2024): e14758, <https://doi.org/10.1111/iwj.14758>.

The above article, published online on 23 April 2024, in Wiley Online Library (<http://onlinelibrary.wiley.com/>), has been retracted by agreement between the journal Editor in Chief, Professor Keith Harding; and John Wiley & Sons, Ltd. Following an investigation by the publisher, the parties have concluded that this article was accepted solely on the basis of a compromised peer review process. Therefore, the article must be retracted. The authors did not respond to the notice of retraction.
