

Correction

Safety and improved efficacy signals following gene therapy in childhood blindness caused by *GUCY2D* mutations

Samuel G. Jacobson,^{*} Artur V. Cideciyan, Allen C. Ho, Igor V. Peshenko, Alexandra V. Garafalo, Alejandro J. Roman, Alexander Sumaroka, Vivian Wu, Arun K. Krishnan, Rebecca Sheplock, Sanford L. Boye, Alexander M. Dizhoor, and Shannon E. Boye

(iScience 24, 102409; May 21, 2021)

In the originally published version of this article, authors Bee-Lin Cheang, Vanessa Davidson, and Catherine R. O'Riordan were unfortunately omitted. The manuscript has now been updated to report the correct authors list, author contributions paragraph, and declaration of interests statement. The authors apologize for this error.
