

Erratum in: “How Modifications of Corneal Cross-Linking Protocols Influence Corneal Resistance to Enzymatic Digestion and Treatment Depth” by Malwina Kowalska, Elisa Mischi, Szymon Stoma, Simon F. Nørrelykke, Sonja Hartnack, and Simon A. Pot (*Transl Vis Sci Technol.* 2023;12(5):18), <https://doi.org/10.1167/tvst.12.5.18>.

Malwina Kowalska and Elisa Mischi share first authorship, but this was not noted when the article was first published. A footnote has now been added to the article saying that they are joint first authors.
