On page 311, left-hand column, line 37, the text within the parentheses following α_{1D} should read:

(15 μ g, rCACN4A; Ihara *et al.* 1995)

The full reference should be included on page 318 as:

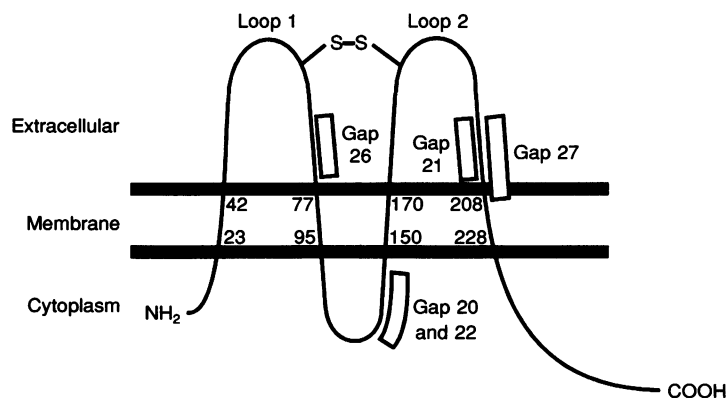

IHARA, Y., YAMADA, Y., FUJII, Y., GONOI, T., YANO, H., YASUDA, K., INAGAKI, N., SEINO, Y. & SEINO, S. (1995). Molecular diversity and functional characterization of voltage-dependent calcium channels (CACN4) expressed in pancreatic β -cells. *Molecular Endocrinology* **9**, 121–130.

On page 101, Figure 1, the amino acid threonine was omitted from the sequence for Gap 27.

The correct figure should appear as:

Peptide	Connexin	Topographical position	Sequence	Residue no.
Gap 20	43	Intracellular loop	E I K K F K Y G C	131–138
Gap 22	40	Intracellular loop	A E L S C N K E V N G	130–140
