In the article entitled “*In Vivo* Stem Cell Imaging Principles and Applications” (1), Dr. Dong-Sung Lee was inadvertently excluded as a co-first author from the original author list. Dr. Lee made significant contributions to the conception, design, data analysis, and preparation of the manuscript. As such, Dr. Lee has been added as the first author of our review article. All current co-authors have agreed to this change. The authors would like to apologize for any inconvenience caused.
