

## CORRECTION

# Correction: A systematic review of exercise testing in patients with intermittent claudication: A focus on test standardisation and reporting quality in randomised controlled trials of exercise interventions

Stefan T. Birkett, Amy E. Harwood, Edward Caldow, Saïd Ibeggazene, Lee Ingle, Sean Pymer

The phrase "Part 1—evaluating walking capacity" is missing from the title. The correct title is: A systematic review of exercise testing in patients with intermittent claudication: A focus on test standardisation and reporting quality in randomised controlled trials of exercise interventions: Part 1—evaluating walking capacity. The correct citation is: Birkett ST, Harwood AE, Caldow E, Ibeggazene S, Ingle L, Pymer S (2021) A systematic review of exercise testing in patients with intermittent claudication: A focus on test standardisation and reporting quality in randomised controlled trials of exercise interventions: Part 1—evaluating walking capacity.
