

Corrigendum

Primary structure of a developmentally regulated nicotinic acetylcholine receptor protein from *Drosophila*

by I.Hermans-Borgmeyer, D.Zopf, R.-P.Ryseck,
B.Hovemann, H.Betz and E.D.Gundelfinger

The EMBO Journal, 5, 1503–1508, 1986.

The first 119 nucleotides of the ARD2 cDNA given in Figure 1b are not complementary to *Drosophila* AChR mRNA but to the cytochrome *c* oxidase I gene of *Drosophila* mitochondrial DNA.
