

The 39th Indian Association of Conservative Dentistry and Endodontics National Conference

This November, Mumbai is set to host one of the largest gatherings in the field of Conservative Dentistry and Endodontics: the 39th National Conference of the Indian Association of Conservative Dentistry and Endodontics (IACDE). Scheduled from November 28 to December 1, 2024, at the world-class Jio World Convention Centre, BKC, Mumbai, this conference promises to bring together the brightest minds and the latest innovations in our specialty.

As the Conference Secretary, I am thrilled to share a glimpse of what awaits you at this year's conference.

CONFERENCE THEME: R.A.C.E.

The conference theme, R.A.C.E. – Restorative Dentistry, Aesthetic Dentistry, Conservative Dentistry, and Endodontics – embodies our collective vision to drive the field forward, upward, and onward. Our program is packed with a rich blend of learning, collaboration, and inspiration to elevate our practice and knowledge.

CONFERENCE HIGHLIGHTS

Preconference hands-on courses

We are kicking off with eighteen hands-on preconference courses, covering contemporary topics taught by six distinguished clinicians and academicians. These courses will provide participants with in-depth, practical experience in the latest advancements and techniques in our field.

Scientific presentations and sessions

Our conference will feature plenary sessions, symposia, and scientific presentations, offering something for everyone:

Seventeen plenary sessions

Led by eminent researchers and educators from India and around the world, these sessions will dive into cutting-edge topics and emerging research.

Four thematic symposia

Curated by an esteemed scientific committee, these symposia cover fundamental to advanced topics, each featuring six subtopics delivered by experts from across the country. Each symposium concludes with an engaging Q and A session.

Dedicated modules for postgraduates, staff, and PhD scholars

We are dedicated to nurturing the next generation of leaders in our field. This year, we have structured separate scientific modules designed for:

Postgraduate students

Papers, posters, and table clinics for showcasing research and case studies.

Staff and PhD scholars

Specialized sessions and workshops to foster deeper academic growth.

A HOLISTIC EXPERIENCE: BEYOND THE LECTURES

This conference is more than just an academic event – it's a chance to connect, unwind, and experience the spirit of camaraderie. Alongside the robust scientific program, we've organized cultural and sports events to ensure that attendees have a well-rounded and memorable experience. From local cultural performances to friendly sports competitions, there's something for everyone.

WHY ATTEND?

- Learn from the best: Engage with leading experts and stay abreast of the latest advancements in conservative dentistry and endodontics
- Hands-on learning: Deepen your practical knowledge with our focused preconference courses
- Network and collaborate: Meet colleagues and professionals from all over India and abroad, fostering connections that last beyond the conference
- Holistic growth: Enjoy a balanced schedule of academic rigor and relaxation.

We are confident that the 39th IACDE National Conference will raise the bar and leave every participant with enhanced knowledge, lasting memories, and a renewed passion for our field. Mark your calendars and join us in Mumbai for an inspiring journey forward, upward, and onward in dentistry!

See you in Mumbai!
