

## CORRECTION

# Correction: Enhanced wave overtopping simulation at vertical breakwaters using machine learning algorithms

The *PLOS One* Staff

## Notice of Republication

This article was republished on January 24, 2025, to correct errors in figure 9 that were introduced during the typesetting process. The publisher apologizes for the errors. Please download this article again to view the correct version. The originally published, uncorrected article and the republished, corrected articles are provided here for reference.

## Supporting information
