

CORRIGENDUM

In the paper by J. GUREVITCH (*GENETICS* **130**: 385–394; February, 1992) entitled “Sources of variation in leaf shape among two populations of *Achillea lanulosa*,” the legend to Figure 1 on page 387 is incongruent with the figure panels. The legend identifiers “Timberline” and “Mather” are correct, whereas “left diagram” and “right diagram” are reversed.
