CORRECTION

Canadian Journal of Veterinary Research
October 1994 Volume 58 No. 4

Unfortunately, five articles in the October 1994 issue were published with incorrect reference citations. The articles are listed below with the correct citations. Our apologies to the authors listed below and our readers.
CJVR eds.

Coagulation Factor XI Deficiency in Holstein Cattle: Expression and Distribution of Factor XI Activity

P.A. Gentry and M.L. Ross

Can J Vet Res 1994; 58: 242-247

The Cardiovascular Sparing Effect of Fentanyl and Atropine, Administered to Enflurane Anesthetized Dogs

J.E. Ilkiw, P.J. Pascoe, S.C. Haskins, J.D. Patz and R. Jaffe

Can J Vet Res 1994; 58: 248-253

The Parasympatholytic Effects of Atropine Sulfate and Glycopyrrolate in Rats and Rabbits

M.E. Olson, D. Vizzutti, D.W. Marck and A.K. Cox

Can J Vet Res 1994; 58: 254-258

Serodiagnosis of *Salmonella dublin* Infection in Danish Dairy Herds Using O-Antigen Based Enzyme-linked Immunosorbent Assay

J. Hoorfar, N.C. Feld, A.L. Schirmer, V. Bitsch and P. Lind

Can J Vet Res 1994; 58: 268-274

Vaccination of Chickens with a Recombinant Fowlpox Virus Containing the Hemagglutinin-Neuraminidase Gene of Newcastle Disease Virus under the Control of the Fowlpox Virus Thymidine Kinase Promoter

E. Nagy, P.J. Krell, R.A. Heckert and J.B. Derbyshire

Can J Vet Res 1994; 58: 306-308
